# Frequently Asked Questions

**Can you cater to special dietary requirements?** Yes - we will always endeavour to cater for special dietary requirements such as gluten free, vegetarian and vegan guests! Exclusions do apply for severe allergies and restrictive diets (such as coeliac and FODMAP). In the case of a significant number of guests requiring custom menus, surcharges will apply at our discretion.

**Can I extend/amend the included food?** Yes - see the All the Extras package for options.

**When do I need to confirm my final guest numbers?** Your final guest numbers - along with details of all special dietary requirements for grazing/food truck packages - are required no less than one month prior to your wedding. We cannot guarantee that last minute or late additions will be accepted.

**When will I see my included wedding photos?** We will share up to 10 'sneak peek' photos and a beautiful story about your wedding on our Facebook page within ten days, and you will receive your full gallery of high resolution, non-watermarked wedding images within six-eight weeks of your wedding.

**What happens in the case of wet weather?** Our team members can operate in any weather! Please chat to the Tiny House team for help with options for shade, shelter and heating at the venue.

**Can the wood-fired catering go ahead even during fire danger season?** Our wagons are fitted with fire safety equipment, spark arrestors and gas alternatives, and can operate in almost every weather condition. The wagons cannot enter areas declared as being in '**catastrophic fire danger**' - in which case the venue would not be open or operational.

**Can I remove any suppliers, add extras or customise my package?** Our packages are designed to begin with set-priced basics, which can be personalised to create your dream wedding! We offer a huge range of 'Extras' to further customise your big day, and may be able to remove some package elements too.

**When will I begin my planning?** Once your booking payment is finalised you will receive a detailed confirmation email, outlining your full wedding timing, key elements of your wedding and introducing your complete wedding team! Each supplier will then reach out to get your planning underway. Your Pop-Up Coordinator will also drop you a line around 8 weeks prior your wedding, to ensure your supplier planning is well underway and set up your final planning meeting.

**What if I haven't heard from one of my suppliers yet?** Please check your 'junk' email folders, as sometimes emails do go astray! You can also reach out to anyone in your team using the details included in your confirmation email, or let us know so we can follow up. We are always here to help!
